

**PRAISES AND THANKSGIVING**

God has sustained and protected from the covid-19 virus. We had some scary moments as our dormers and staff were infected with the virus and we were primary contacts. Hallelujah! We were not infected with covid-19. God be praised and thank you for your prayers.

During this pandemic, God has been so faithful in providing and sustaining our family needs both here in Cambodia and also for our two boys in the Philippines, Hezron and Heijz. Hezron is now in first year college, taking Mechatronics Engineering and Heijz is now a 9<sup>th</sup> grader. Heidzn who is with us here in Cambodia is now a 6<sup>th</sup> grader enrolled online in the Philippines. Thank you so much for those who help in providing the needs for the schooling of our 3 children and for our daily needs here in Cambodia.

A million thanks for your prayers and financial support. We cannot thank you all enough but our prayers are; that God will return 100-folds blessings for your sacrifices for us and the work here in Cambodia.

**PRAYER REQUESTS**

For continued provision, protection and good health as we continue to minister here in Battambang, Cambodia.

For opportunities and open doors as we continue to extend God's love and salvation to the Cambodian people.

For financial support as we continue to help those who are greatly affected by the pandemic.

For us to be able to visit home soon.

**CAMBODIA MINISTRY NEWS FROM THE RAGUINGANS**

**“The King will reply, ‘Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me.’ Matthew 25:40**

Our calling has not changed! We are called to share the love of Jesus to the less fortunate brothers and sisters who need help in times of need. We are so grateful for your prayers and gifts we received and those gifts enabled us to help lots of families in the church communities and also in the trash dumpsite here in Battambang. Much have been done yet the needs are still great!

One of our village churches, Bunchour Church in Battambang, had their church leadership installation last January 22, 2022. The pandemic might have caused lots of challenges but Jesus' promise that He will build His church and the gates of hell will not prevail against it. During this pandemic, several outreach programs were started and a number of churches were established! The 3 ladies name (Teachers Sem, Mao and Rin) were installed as core leaders of the said village church, they were also graduate of our Bible School and they have started some discipleship and Bible Study groups in 3 other villages nearby. God is faithful! His church is growing and expanding.
