

DECEMBER 2024 PRAYER BRIEF

“Never doubt God’s mighty power to work in you and accomplish all this: He will achieve infinitely more than your greatest request, your most unbelievable dream, and exceed your wildest imagination! He will outdo them all, for his miraculous power constantly energizes you. Now we offer up to God all the glorious praise that rises from every church in every generation through Jesus Christ— and all that will yet be manifest through time and eternity. Amen!” Ephesians 3:20-21 TPT

DECEMBER

Day: 02 - 04

PRAYER FOCUS: PAKISTAN

Pakistan is a diverse South Asian nation with a population of over 240 million, primarily Muslim. It faces socio-economic challenges, including poverty, unemployment, and an education gap. Politically, it has a history of military influence and instability, with struggles between democratic governance and authoritarianism. Religious identity is central, with Islam as the state religion. Christians, often face discrimination, with blasphemy laws posing a significant threat. Christianity is practiced by around 1.3% of the population, mainly in Punjab and Karachi. Christians contribute to healthcare and education but face socio-economic marginalisation.

Pray the salvation of Pakistan and her people. Pray that the Holy Spirit will send dreams and visions to key people whose hearts are ready to hear. Pray for a mighty harvest to come in!
