

## SEPTEMBER 2025 PRAYER BRIEF

***Isaiah 40:15 – NLT***

*“No, for all the nations of the world are but a drop in the bucket. They are nothing more than dust on the scales. He picks up the whole earth as though it were a grain of sand. All the wood in Lebanon’s forests and all Lebanon’s animals would not be enough to make a burnt offering worthy of our God. The nations of the world are worth nothing to him. In his eyes they count for less than nothing—mere emptiness and froth.”*

## **PRAYER FOCUS: LEBANON**

Lebanon, with nearly 6 million people, is a nation of deep history and great beauty, yet scarred by political instability, corruption, and economic collapse. Once called the “Switzerland of the Middle East,” it now struggles with poverty, sectarian divisions, and the weight of hosting over a million refugees.

Religiously, Lebanon is unique in the region, with both Muslims and Christians forming significant portions of the population. Yet, according to the Joshua Project, less than 1% are evangelical.

**Pray for healing of the nation, courage for believers to share the Gospel, unity in the Body of Christ, and a Spirit-led revival that will touch every community.**
