## PRAYER FOCUS: **QATAR**

### **Qatar: Prayer for an Influential Gulf Nation**

**Qatar**, a wealthy nation of around 3 million people, is known for its oil and gas riches, rapid development, and influential role in the Gulf region. The population is mostly Muslim, with a large number of expatriates from **Asia** and other regions, while public life is closely shaped by Islamic law. Religious freedom is limited, and sharing the Gospel openly is restricted.

According to the Joshua Project, evangelicals make up less than 1% of the population, leaving most Qataris unreached.

**Please pray** that God would open hearts, protect and empower believers, spark divine encounters, and bring a Spirit-led harvest among those who have never heard the Good News.
