Middle East **Cessation of Hostilities**

Please pray for the following:

1. Iran, Israel, and the surrounding Asian nations in the Middle East are observing a widening conflict in a very short period of time.
2. Activities such as these can at times increase openness to the Gospel, but they can also hamper current mission work throughout the region.
3. Our prayers are for the vulnerable, who are often victims of violence, torture, starvation, exposure, trafficking, and rape.
4. That the Lord Jesus be revealed to men, women, and children on all sides of the conflict through dreams and visions.

PRAYER FOCUS: **SAUDI ARABIA**

Saudi Arabia: Prayer for the Heart of the Arab World

Saudi Arabia, home to over 36 million people, holds deep global influence as the birthplace of Islam and guardian of its holiest cities Mecca and Medina. The nation's economy is driven by oil wealth and rapid modernization, yet society remains strongly shaped by Islamic law, with strict limits on public expressions of other faiths.

According to the Joshua Project, evangelicals represent far less than 1% of the population, and Saudi Arabs remain one of the largest unreached people groups in the world.

Pray for dreams and visions revealing Jesus, protection for believers, bold yet wise Gospel witness, and a powerful move of the Holy Spirit bringing transformation across the nation.
